## **Simulocity LLC is pleased to announce that it was awarded multiple contracts with the US Department of Agriculture (USDA)**

ORLANDO, FL, October 1st, 2022 — Simulocity, LLC (Simulocity) is pleased to announce that it was awarded multiple contracts with the US Department of Agriculture (USDA), spanning 5 years to provide services to support USDA's Digital Asset Management System and Associated Services.

Simulocity will be responsible for maintaining, updating, and improving two USDA websites (the WIC Works Resource System (WWRS) and the WIC Breastfeeding Support (WBFS)) throughout the duration of the contract. Simulocity is excited to promote the content, functionality, and features of the two sites.

About the United States Department of Agriculture:

USDA's vision is to provide economic opportunity through innovation, helping rural America to thrive; to promote agriculture production that better nourishes Americans while also feeding others throughout the world; and to preserve the Nation's natural resources through conservation, restored forests, improved watersheds, and healthy private working lands. USDA is made up of 29 agencies and offices with nearly 100,000 employees who serve the American people at more than 4,500 locations across the country and abroad. USDA offices provide support to Department officials and employees at all levels, and they support USDA programs and services by working with government agencies, Congress, organizations, and tribal governments.

### **About the Company**

Located in Orlando, Florida, Simulocity is a technology solutions firm comprised of top innovators with decades of proven results in delivering innovative and ground-breaking technologies around the globe.
